TEST REPORT

Applicant : EPORT SDN BHD
Address : Berjaya Times Square A17-11, No.1, Jalan Imbi, 55100, Kuala Lumpur, Malaysia

The following merchandise was (were) submitted and identified by the client as:

Name of Sample : IONSPEC EYE FRAME
Test Type : Commission
Analysis No. : S170418-10
Sample Quantity : 1
Batch No. /Brand/Model : IONSPEC
Trademark : Ionspec Kionspec nanospec
Supplier : /
Sample Received : 2017/04/18
Test Period : 2017/04/18-2017/04/25
Test Request : Please refer to next page(s).
Test Method : Please refer to next page(s).
Test Result : Please refer to next page(s).
Test Part Description : solid
Note: This report replaces the HG170425-53report issued on 04 2017

Statement

1. All samples and goods are accepted by The Guangzhou CAS Test Technical Services Co., Ltd (the "Company") solely for testing and reporting in accordance with the following terms and conditions. The company provides its services on basis that such terms and conditions constitute express agreement between the company and any person, firm or company requesting its services (the "Client").
2. Test report is invalid if not affixed with authorized stamp of test and paging seal.
3. Test report is invalid without signature of verifier and approver.
4. Test report is invalid if being supplemented, deleted or altered.
5. Without prior written permission of the Company, the test report can not be reproduced in part (except in whole).
6. The result(s) shown in this test report refer only to the sample(s) tested, and do not apply to the same batch, the same size or the same brand of products (except the test sample) or to proving the related methods of making, processing or production of the test samples, the correctness and rationality of processes or process.
7. Objections to the test report must be submitted to the Company within 15 days. Otherwise, it will automatically deem to have accepted this test report.
8. If the sample(s) is(are) submitted by Client for detection, sample source information is provided by the customer and the Company is not responsible for its authenticity.
9. As any report is issued as a result of this application for testing services, the Company will strictly keep confidentiality to the clients. Without the consent of the Clients, the Company will not enter into any discussion or correspondence with any third party concerning the contents of the report, unless required by the relevant government authorities, laws or court orders.
10. The result(s) or conclusion shown in this test report about the description of the characteristics, composition, properties or quality are based on the specific time, specific methods and specific applicable criteria . Using different methods and criteria or under different environmental conditions for testing, it may come to different conclusions.
11. The test items are not within the scope of certification, meanwhile they can not be used in judicial decisions, administrative decisions, arbitration decisions, social economy, public welfare activities and any other statutory purposes.
12. Since the Company's causes lead to modify the contents of the test report, the Company shall reissue the test report and bear the modification cost. The Client shall return the original test report.
Since the Client's causes lead to modify the contents of the test report, the Client need to submit an application form for report change to the Company. The Client shall bear the modification cost and return the original test report if the Company approves to reissue the test report.
13. The English version of this statement is translated from Chinese one. So with any disagreement between them, the Chinese version shall prevail.
